

Laser & CNC Punch Press Operator

Reference: GE-0003 • Factory • £680 – £780/pw • Deadline: 31 May 2026

ABOUT THE ROLE

Due to continued growth, we are looking for a Laser/Punch Press Operator to join our nightshift. Key Responsibilities & Requirements: Setting and operation of our 3kW Fibre Laser or one of three Amada CNC Turret Punches.

CORE RESPONSIBILITIES

- Setting punch tools as required.
 - Maintain programs within the machine, eliminating programming errors.
 - Forward plan and load plan for daily production requirements.
 - Communicate with colleagues to ensure the smooth running of the manufacturing process.
 - Operate relevant machinery and tools in a safe manner.
-

ESSENTIAL SKILLS

- CNC Turret Punch Operator: 1 year (required)
- Competent Laser Operator: 1 year (required)
- ExProven ability to meet production standards.

DESIRABLE SKILLS

- Experienced in both CNC turret punching and laser operations, with a proven ability to meet production standards.
- Detail-oriented, safety-conscious, and proactive in troubleshooting and process improvement.
- Adaptable to nightshift work and thrives in a collaborative, high-pressure manufacturing environment.
