Greenfield engineering

Full Time Published: 27 Jul 2026

Welder/ Fabricator - Nightshift

Factory • £17.76 to £18.96 Hour • Deadline: 31 Oct 2026

ABOUT THE ROLE

We are seeking a reliable and motivated Welder to join our production team and support the effective running of our nightshift. The ideal candidate will have practical MIG welding experience within a manufacturing or fabrication environment, together with a good understanding of engineering drawings, quality standards and safe working practices.

This is an important hands-on role producing accurate, high-quality welded components while helping to maintain an efficient, well-organised and safe nightshift operation.

CORE RESPONSIBILITIES

- • Carry out MIG welding of fabricated sheet-metal components in line with drawings, specifications and production requirements.
- • Use welding equipment safely and effectively, ensuring settings and consumables are suitable for each job.
- • Read and interpret engineering drawings, work instructions and quality requirements accurately.
- • Complete in-process quality checks so weld appearance, strength and overall finish meet the required standard.
- • Raise concerns relating to material, fit-up, welding quality, equipment or production priorities promptly.

ESSENTIAL SKILLS

- • Previous MIG welding experience within a manufacturing, fabrication or engineering environment.
- • A practical, quality-focused approach with good attention to detail.
- • Reliable and self-motivated, with the ability to work effectively as part of a nightshift team.

DESIRABLE SKILLS

- • TIG welding experience.
- • Experience working with thin-gauge sheet metal or fabricated components.
- • Experience welding mild steel, stainless steel or aluminium.

WORKING HOURS

Monday	4:30pm – 3:00am
Tuesday	4:30pm – 3:00am
Wednesday	4:30pm – 3:00am
Thursday	4:30pm – 3:00am

COMPANY BENEFITS

- • Competitive rate of pay plus the applicable nightshift premium.
- • Additional holiday entitlement linked to length of service.
- • Company uniform and equipment provided.
- • Access to a company discount scheme.
- • Overtime opportunities at competitive rates, where applicable.
- • Employee referral scheme.
- • Training and development support and an employee wellbeing package.
- • Long-service awards and planned company events.
- • Access to a salary-sacrifice electric vehicle scheme, subject to eligibility.
